

Financial Grant Request Form

(For churches in Classis Georgetown CRCNA)

Financial grants from Classis Georgetown are given to churches and other ministry agencies to help them develop and maintain ministry programs that are consistent with the vision and five values of Classis Georgetown.

1. **Requesting church name:**

2. **Description of the ministry for which the grant is requested:**

3. **Dates of this ministry/project:**

4. **Specific goals of the ministry:**

5. **Outcomes: list measureable objectives with timelines of the ministry:**

6. **Three year history of the requesting church's ministry share contributions:**

Classical 2013 - ____%; 2012 - ____%; 2011 - ____%

CRCNA: 2013 - ____%; 2012 - ____%; 2011 - ____%

Note: Mel Vander Bie, classis treasurer, can supply these percentages if you do not have them.

7. **Please include the following with your request:**
 - A. **Any additional information that would support this request**
 - B. **Your latest church financial statement**

Signed: _____ Title/Position: _____ Date: _____ 2014

Additional notes:

- a. Grant recommendations for the following calendar/fiscal year are made by the Vision Team to the fall classis meeting.**
- b. Exceptions or partial *encouragement* grants can be recommended even if the applicant does *not* have financial need.**
- c. Grant recipients are required to *report* to the classis through the Vision Team during the last week of June. The purpose of this reporting is to demonstrate what progress is being made toward the desired results and outcomes as outlined in the grant request. The last two quarterly payments of the grant support are contingent upon receiving a satisfactory report by July 1.**
- d. When satisfactory outcomes are not realized, classis may postpone, reduce, or cancel the remaining part of the grant.**
- e. If, at any time during the grant period, a grant recipient realizes that the anticipated outcomes are not achievable, the recipient should inform the VisionTeam and return unused pro rated funds to classis.**
