**B How the VT will work – Attm #1**

Learn a new role – and what the Value Teams include

**Read & name the present times** (re/read attachment #4 emailed to VT)

Discern steps to this new creation (key actions to be fruitful)

Gain a sense of time

Remove obstacles

Empower value teams with clear roles.

**C. What is the VT's workflow & agendas – (Attm #2)**

Concerns of each value team –

A suggestion: each team keeps a running journal that serves as its input to each VT meeting agenda- could be dated bullets and/or commentary/questions. Advantage: easy to up-date and for readers to check progress...and for openness and real-time reporting to post on the web.

**D Dealing with big-tent concerns: ministry shares (Attm #5)**

**& A Ministry to Ministers - PR contract (Attm #6)**

(Others: readiness criteria for ministry, ordination of commission pastors, grants applications.)
